

THE RHODE ISLAND TRANSITION TO THE COMMON CORE STATE STANDARDS FOR ENGLISH LANGUAGE ARTS AND MATHEMATICS

Ready, Set, Go Common Core!

As Rhode Island transitions to the Common Core State Standards for English Language Arts and Mathematics, it's important for all stakeholders to stay well informed along the way.

There are several ways for you to do this:

Visit the RIDE 'Transition' web page for Common Core updates and resources:
www.ride.ri.gov/Division-EEIE/transition.aspx

Subscribe to our RSS feed for notifications when we post something new on our web site: www.ride.ri.gov/Division-EEIE/transition-rss.xml

Visit the RIDE Facebook page, *Ready, Set, Go Common Core!* Click "like" and help spread the word! www.facebook.com/ReadySetGoCommonCore

Find out more about the Common Core State Standards and Appendices:
www.ride.ri.gov/Instruction/CommonCore.aspx

Download the free Common Core State Standards app for your Smartphone. Available for iPhones and Android phones.

On the RIDE 'Transition' web page, check out resources for:

Families

Community

K-12 Educators

Higher Education

An informational brochure can be found in the general information section of each tab.
